Denny Wayne Robinson stated that the Grand Jury Report had been included in the Steering Committee B packet in error and that no action was necessary from the committee. The committee took no action.

Presentation from Perfection Group:

Matt Callahan was recognized to make a presentation to the committee regarding Perfection Group. Perfection Group is a company that works with local governments to help reduce energy costs and use those savings to fund capital projects. Mr. Callahan stated that Perfection Group has two offices in Tennessee, and he has been hired to develop the company's "Greene Business" model. Mr. Callahan stated that his company would conduct an audit of all county facilities and then use that audit to provide a listing of improvements that can be made to reduce energy costs. The county would then borrow money to make the improvements and use the energy cost savings to make the debt service payments. This service is authorized under Tennessee Code Annotated §12-4-110 as a professional service and can be conducted without an RFP or bid process. Mr. Callahan stated that county jails likely have the greatest opportunity to find savings. The committee held a general discussion regarding the subject, but took no formal action on the proposal.

Denny Wayne Robinson stated that the Health and Safety Sub-Committee had drafted a resolution for the committee to review. Mr. McCulley inquired as to where the proposed salary for the new director was obtained. Mr. Robinson stated that the proposed salary of \$50,000 was based on a survey of other counties in the area with full-time EMA Directors. The committee discussed the possibility of splitting the duties of the EMA director among departments such as EMS or Fire. The committee also discussed the potential for grants which are currently not being received by the county, if a full-time director was hired. Mr. Quick indicated his hesitance to approve the creation of a new, fully funded department in the county based on current economic events seen throughout the country and world. Mr. Robinson stated that Suzi Cash-Haston is serving as the interim EMA director, and that another interim can be appointed if she chooses to step down. Bobby McCulley made a motion and Terry Alley seconded the motion to table the matter of hiring a full-time EMA Director. The motion was approved by all members and passed.

Old Business:

Dillard Quick inquired as to the plans of the county regarding the old White County Middle School property which was obtained from the school board in the May County Commission meeting. Date: 05/20/2020

Time: 5:30pm

Location: White County Courthouse

The White County Budget Committee met on Wednesday, May 20, 2020 at 5:30pm at the White County Courthouse. Members present were Mr. Roger Mason, Mr. Andy Haston, Mr. Cain Rogers, and Mr. Denny Wayne Robinson. Also present was Mr. Chad Marcum, Mr. Mike Wilson, Mr. Tommy England, and Mr. Chris Brewington. Absent was Mr. Stanley Neal.

There being a quorum present, the meeting was called to order by Mr. Mason.

Mr. Mason asked for approval of the minutes from the May 11, 2020 meeting. Mr. Rogers made a motion and Mr. Haston seconded the motion to approve the minutes as presented. On a voice vote, the motion was unanimously approved.

Mr. Mason recognized Mr. Wilson, Mr. England, and Mr. Brewington with the White County Fair Association to speak to the committee. Mr. Wilson, White County Fair President, spoke to the committee regarding various needs at the fairgrounds, specifically maintenance and repair needs at the White County Agricultural Complex and the John White House. According to Mr. Wilson, the Agriculture Complex currently has one (1) HVAC unit that is not functioning and two (2) additional units that are in need of replacement. Additionally, the complex building is in need of roof and insulation repairs in various spots. The John White House is of particular historical importance to White County and is in need of repairs on its back (south) side due to the logs being continuously exposed the weather elements. Mr. Wilson stressed that the fair has always made every attempt to be financially independent, and has been very successful with this over the years. They have made several improvements to the fairgrounds, including new restroom facilities and pavilions over this time period. However, Mr. Wilson indicated that the current COVID-19 Pandemic has hindered their ability to generate revenues from the rental of the Agricultural Complex during the past few months and they are particularly concerned about their ability to make ends meet with this year's fair. The group requested that the committee consider providing some level of assistance to the fair, particularly for maintenance and repair needs at the White County Agricultural Complex and John White House. Mr. Robinson informed the committee that additionally there are water runoff and flooding issues which have plagued the site for several years that will need to be addressed at some point. The committee thanked the gentlemen for coming and expressed gratitude for the countless volunteer hours they put in to make the White County Fair a success. No formal action was taken.

The committee continued discussion on the Fiscal Year 2021 budget, specifically covering the County General Fund budget. Mr. Marcum offered a proposal to the committee which drastically reduced the number of new budgetary requests that were funded and held more to the committee's original thoughts of maintaining a non-growth budget. The proposal also kept the tax rate at \$2.05, and allocated it as follows: \$1.25 to County General Fund; \$0.70 to General Purpose School Fund; and \$0.10 to General Debt Service Fund. The committee also briefly reviewed the proposed non-profit contributions for the upcoming fiscal year.

White County, Tennessee

The committee then turned their attention to how the \$710,000 from the Governor's Local Government Support Grant might be used to help support needed capital improvements during the upcoming budget cycle. The committee discussed several uses of the funding, including repairs on White Oak Flatt Road (Highway Department), Justice Center boiler, Justice Center roof, new school bus, new ambulance, new patrol cars, fire department equipment, Central Maintenance roof, and the Agriculture Complex HVAC units. The committee discussed that the grant funding, in part, could be used to purchase half of the new ambulance and all three (3) new patrol cars which were already being budgeted for in the fiscal year 2021 County General Fund. With the "freeing up" of this money, the committee then discussed that the Codes Enforcement Officer and EMA Director positions could be added to the budget. Mr. Robinson indicated that he leaned more toward not adding those positions in immediately, because the committee would essentially be using grant funds to fund one year of recurring expenditures that the committee would have to come to terms with during the next budget cycle. Mr. Marcum indicated that he would prepare a budget which reflected the discussion for the committee to review and discuss further at its next meeting.

Mr. Marcum presented the committee with a request of the Sheriff's Department to provide funding in the fiscal year 2021 budget for a new law enforcement record management platform to replace their existing software which is becoming obsolete. The committee was presented with and reviewed a proposal from Agisent Technologies, which was obtained by the Sheriff's Department, as a sample of the cost and type of program they would like to obtain. The committee took the matter under advisement but took no formal action.

Mr. Marcum presented the committee with a request of the White County Election Commission to increase the rate of pay for election poll officers from \$95.00 to \$120.00 for their services on an election day. Mr. Marcum indicated that this was just for the poll officers, not every poll worker, and would have an anticipated increase in costs of \$538.25 based on 10 officers and 2 elections during the upcoming fiscal year. The committee discussed the matter and indicated their hesitance due to the likelihood of no other county employee receiving a raise during the upcoming fiscal year. The matter did not receive a motion from any committee member, and therefore failed.

Mr. Mason asked the committee for any old business: There was none.

Mr. Mason asked the committee for any new business: There was none.

Mr. Marcum reviewed the upcoming meetings required so as to approve the Fiscal Year 2021 budget at the regularly scheduled June meeting. After discussion, the next meeting was set for Wednesday, May 27, 2020 at 5:30pm.

There being no further business, Mr. Rogers made a motion and Mr. Haston seconded the motion to adjourn. On a voice vote, the motion was unanimously approved.

Coming from Steering Committee A, the committee considered the appropriation of matching funds for support of a spay and neuter program in the county. Mr. Robinson stated that Ms. Sharon Langford approached him on behalf of the White County Humane Society seeking a contribution for the program. Ms. Monica Jicha with the White County Humane Society received a \$10,000 grant from "Two Mauds," a small, private non-profit foundation in New York City. The grant stipulates that the White County Humane Society must secure matching funding from its local government before the funding will be released. In 2011, White County provided \$1,000 for this purpose, which resulted in the receipt of \$1,000 from the "Two Mauds" organization.
